5.3.13 Proposal Modifications

Any changes, amendments or modifications to a proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment or modification to a previously submitted proposal. Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

5.3.14 Late Proposals

Proposals received after the specified date and time will not be accepted or considered. To guard against premature opening, sealed proposals shall be submitted, plainly marked with the proposal title, Vendor name, and time and date of the proposal opening. Evaluation of the proposals is expected to begin shortly after the proposal due date. To document compliance with the deadline, the proposal will be date and time stamped upon receipt.

5.3.15 Proposal Opening

DPERS will receive proposals until the date and time shown in this RFP. Proposals will be opened only in the presence of DPERS personnel. Any unopened proposals will be returned to Vendor.

There will be no public opening of proposals but a public log will be kept of the names of all Vendor organizations that submitted proposals. The contents of any proposal shall not be disclosed to competing Vendors prior to contract award.

5.3.16 Non-Conforming Proposals

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the substantive requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the DPERS' discretion.

5.3.17 Realistic Proposals

It is the expectation of DPERS that Vendor can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

DPERS shall bear no responsibility or increase obligation for a Vendor's failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

5.3.18 Confidentiality of Documents

All documents submitted as part of the Vendor's proposal will be deemed confidential during the evaluation process. Vendor proposals will not be available for review by anyone other than the DPERS' proposal Evaluation Team ("Evaluation Team") or its designated agents. There shall be no disclosure of any Vendor's information to a competing Vendor prior to award of the contract.

DPERS is a public agency as defined by State law, and as such, it is subject to the Delaware Freedom of Information Act, 29 *Del. C.* Ch. 100. Under the law, all the State of Delaware's records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) are advised that once a proposal is received by the State and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.

Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a Vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled "Proprietary Information" with the RFP number using Attachment 3. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 *Del. C.* § 10002(d), and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, DPERS will open the envelope to determine whether the procedure described above has been followed.

5.3.19 Sub-Contracting

The Vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, Vendor assumes all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any subcontractors must be approved by DPERS.

5.3.20 Discrepancies and Omissions

Vendor is fully responsible for the completeness and accuracy of its proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of Vendor. Should Vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, Vendor shall notify DPERS' Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of Vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, no later than ten (10) calendar days prior to the time set for opening of the proposals.

5.3.21 DPERS's Right to Reject Proposals

DPERS reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the DPERS's specifications or Vendor's response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the State may deem necessary in the best interest of the State.

5.3.22 DPERS Right to Cancel Solicitation

DPERS reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. DPERS makes no commitments expressed or implied, that this process will result in a business transaction with any Vendor.

This RFP does not constitute an offer by DPERS. Vendor's participation in this process may result in the State selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the State to execute a contract nor to continue negotiations. DPERS may terminate negotiations at any time and for any reason, or for no reason.

5.3.23 DPERS' Right to Award Multiple Source Contracting

Pursuant to 29 *Del. C.* § 6986, DPERS may award a contract for a particular professional service to two or more Vendors if DPERS makes a determination that such an award is in the best interest of DPERS.

5.3.24 Notification of Withdrawal of Proposal

Vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by the State prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the State at the proposal submission deadline. All proposals received are considered firm offers at that time.

5.3.25 Revisions to the RFP

If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State's website at <http://bids.delaware.gov> and <http://www.delawarepensions.com>. The State is not bound by any statement related to this RFP made by any State employee, contractor or its agents.

5.3.26 Exceptions to the RFP

Any exceptions to the RFP, or DPERS' terms and conditions, must be highlighted and included in writing in the proposal. Acceptance of exceptions is within the sole discretion of the evaluation committee. In addition, Attachment 2 must be completed and included with the proposal.

5.3.27 Award of Contract

The final award of a contract is subject to approval by DPERS. DPERS has the sole right to select the successful Vendor(s) for award, to reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

Notice in writing to a Vendor of the acceptance of its proposal by DPERS and the subsequent full execution of a written contract will constitute a contract, and no Vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

5.3.28 RFP Award Notifications

After reviews of the evaluation committee report and its recommendation, and once the contract terms and conditions have been finalized, DPERS will award the contract.

The contract shall be awarded to the Vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP.

It should be explicitly noted that DPERS is not obligated to award the contract to the Vendor who submits the lowest bid or the Vendor who receives the highest total point score, rather the contract will be awarded to the Vendor whose proposal is the most advantageous to DPERS. The award is subject to the appropriate State approvals.

After a final selection is made, the winning Vendor will be invited to execute a contract with DPERS; remaining Vendors will be notified in writing of their selection status.

5.4 RFP Evaluation Process

An Evaluation Team composed of representatives of DPERS will evaluate proposals on a variety of quantitative and qualitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

DPERS reserves full discretion to determine the competence and responsibility, professionalism and/or financial soundness, of Vendors. Vendors are to provide in a timely manner any and all information that DPERS may deem necessary to make a decision.

5.4.1 Proposal Evaluation Team

The Evaluation Team shall determine which Vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in *29 Del. C. §§ 6981 and 6982*. The Evaluation Team may negotiate with one or more Vendors during the same period and may, at its discretion, terminate negotiations with any or all Vendors. The Evaluation Team shall make a recommendation regarding the award to the Board of Pension Trustees, who shall have final authority, subject to the provisions of this RFP and *29 Del. C. § 6982*, to award a contract to the successful Vendor in the best interests of DPERS.

5.4.2 Proposal Selection Criteria

The Evaluation Team shall assign up to the maximum number of points for each evaluation item to each of the proposing Vendor's proposals. All assignments of points shall be at the sole discretion of the Evaluation Team.

The proposals all contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by DPERS to be essential for use by the Evaluation Team in the bid evaluation and award process.

Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible contractor and participate in the Evaluation Team's consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Evaluation Team. The Evaluation Team will present its final recommendation to the full Board at Board of Pension Trustees monthly meeting.

The Evaluation Team reserves the right to:

- Select for contract or for negotiations a proposal other than that with lowest costs.
- Reject any and all proposals or portions of proposals received in response to this RFP or to make no award or issue a new RFP.
- Waive or modify any information, irregularity, or inconsistency in proposals received.
- Request modification to proposals from any or all Vendors during the contract review and negotiation.
- Negotiate any aspect of the proposal with any Vendor and negotiate with more than one Vendor at the same time.

5.4.6 Oral Presentations

Selected Vendors may be invited to make oral presentations to the Evaluation Team. The Vendor representative(s) attending the oral presentation shall be technically qualified to respond to questions related to the proposed system and its components.

All of the Vendor's costs associated with participation in oral discussions and system demonstrations conducted for DPERS are the Vendor's responsibility.

5.5 Contract Terms and Conditions

5.5.1 General Information

1. The term of the contract between the successful bidder and the State shall be for 3 years with 2 extensions for a period of 1 year for each extension.
2. The selected Vendor will be required to enter into a written agreement with DPERS, including terms and conditions explicitly described in this RFP. DPERS reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the State of

Delaware. Vendors will be required to sign the contract for all services, and may be required to sign additional agreements. The selected Vendor or Vendors will be expected to enter negotiations with the State, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected Vendor's response to this RFP will be incorporated as part of any formal contract.

3. The Vendor shall discharge each of its duties and exercise each of its powers with due care, skill, prudence, and diligence under the circumstances that a prudent expert acting in a like capacity and familiar with such matters would use in the conduct of any enterprise of like character and with like aims. The Vendor shall discharge its duties under the contract solely in the interest of DPERS acting in its capacity as a fiduciary of DPERS.
4. The successful Vendor shall promptly execute a contract incorporating the terms of this RFP within twenty (20) days after award of the contract.
5. If the Vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another Vendor. Such Vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.

5.5.2 Collusion or Fraud

Any evidence of agreement or collusion among Vendor(s) and prospective Vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such Vendor(s) void.

By responding, the Vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing Vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Vendor's proposal preparation. Complete Attachment 1, Non-Collusion Statement.

Advance knowledge of information which gives any particular Vendor advantages over any other interested Vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

5.5.3 Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a State employee or agent of the State concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected Vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the State shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with State employees, contractors or agents of the State concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

5.5.4 Solicitation of State Employees

Until contract award, Vendors shall not, directly or indirectly, solicit any employee of the State to leave the State's employ in order to accept employment with the Vendor, its affiliates, actual or prospective contractors, or any person acting in concert with Vendor, without prior written approval of the State's contracting officer. Solicitation of State employees by a Vendor may result in rejection of the Vendor's proposal.

This paragraph does not prevent the employment by a Vendor of a State employee who has initiated contact with the Vendor. However, State employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a Vendor discovers that they have done so, they must terminate that employment immediately.

5.5.5 General Contract Terms

1. Independent contractors
The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or

employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party, or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the DPERS' discretion as to the location of work for the contractual support personnel during the project period. DPERS shall provide working space and sufficient supplies and material to augment the Vendor's services.

2. Non-Appropriation

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

3. State of Delaware Licenses and Permits

In performance of the contract, the Vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful Vendor. The Vendor shall be properly licensed and authorized to transact business in the State as provided in 30 *Del. C.* § 2502.

Prior to receiving an award, the successful Vendor shall either furnish DPERS with proof of State of Delaware Business Licensure or initiate the process of application where required. An application may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department.

Information regarding the award of the contract will be given to the Division of Revenue. Failure to comply with the State's

licensing requirements may subject Vendor to applicable fines and/or interest penalties.

If any equipment, software, services (including methods) products or other intellectual property used or furnished by the Vendor (collectively “Products”) is or in Vendor’s reasonable judgment is likely to be, held to constitute an infringing product, Vendor shall at its expense and option either:

- (i) Procure the right for DPERS to continue using the Product(s);
- (ii) Replace the product with a non-infringing equivalent that satisfies all the requirements of the contract; or
- (iii) Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that DPERS agrees to and accepts in writing.

6. Insurance

The Vendor shall provide a certificate of insurance to DPERS certifying that it has the requisite insurance coverage required by this section.

The successful Vendor shall comply with all federal and state laws, regulations and policies pertaining to the prevention of discriminatory employment practice. Failure to perform under this provision constitutes a material breach of contract.
10. **Covenant against Contingent Fees**
The successful Vendor will warrant that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement of understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the Vendor for the purpose of securing business. For breach or violation of this warranty DPERS shall have the right to annul the contract without liability or at its discretion to deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.
11. **Work Product**
All materials and products developed under the executed contract by the Vendor are the sole and exclusive property of DPERS. The vendor will seek written permission to use any product created under the contract.

12. Contract Documents

The RFP, the executed contract and any supplemental documents between DPERS and the successful Vendor shall constitute the contract between DPERS and the Vendor. In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter: Contract, State's RFP, and Vendor's response to the RFP. No other documents shall be considered. These documents will constitute the entire agreement between DPERS and the Vendor.

The selected Vendor shall keep itself fully informed of and shall observe and comply with all applicable existing Federal and State laws, and County and local ordinances, regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

14. Scope of Agreement

If the scope of any provision of the contract is determined to be too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the contract shall not thereby fail, but the scope of such provisions shall be curtailed only to the extent necessary to conform to the law.
